conformist - MSS 2

conformist

nonconformist

Choose **one** of the following topics and write a paragraph about whether or not you would be a conformist in this situation. Suggested topics are: technology, cell phone usage at school, school lunches, dress code, and physical fitness.

A conformist would feel that basically the government or the schools are doing their jobs. A nonconformist feels that the situation should be handled totally differently. You may address the topic both as a conformist, in agreement, and as a nonconformist with different ideas than are presently being addressed.
